DIRECTORS' REPORT

The directors present their annual report and the audited financial statements of the company for the year ended 31 December 2014.

PRINCIPAL ACTIVITIES

Founded in 1962, Amnesty International Ireland is the country's largest human rights organisation with over 47,000 members, supporters and activists. We are part of a global movement of more than 7 million people who campaign for a world where human rights are enjoyed by all. We reach almost every country in the world and have:

More than 2 million members and supporters who drive forward our fight for rights
More than 5 million activists who strengthen our calls for justice

Our vision is for every person to enjoy all the rights enshrined in the Universal Declaration of Human Rights and other international human rights standards.

In pursuit of this vision Amnesty International undertakes research and action focused on preventing and ending grave human rights abuses. The organisation is independent of any political ideology, economic interest or religion. We do not support or oppose any government or political system. Our sole concern is the protection of the fundamental human rights guaranteed to each one of us by the Universal Declaration of Human Rights. We are a democratic organisation where our members set our policies and strategies. At a national level our members make key decisions on strategy and organisational focus at Annual Conference every year and elect a National Board to run the organisation. Our National Board appoints an Executive Director to run the organisation at an operational level.

At the global level, our International Board takes the major decisions for the global movement and sets policy. It is elected by an International Council meeting held every two years attended by representatives from every national section. The council elects an International Board to govern the International Movement on its behalf. The International Board appoints a Secretary General to run our head office, the International Secretariat (IS), based in London and in regional hub offices across the globe.

Amnesty International, as a membership-based organisation, observes a formal system of accountability as set out in the organisations constitution, which can be viewed on www.amnesty.ie. We are also committed to meeting best practice standards in operational and governance excellence, public reporting and transparency.

We seek to comply fully, for example, with public standards for financial reporting and with the International Non-Governmental Organisations' (INGO) Accountability Charter and the Governance Code for the Community Voluntary and Charitable Sector in Ireland

However, it is work for and with individuals whose rights are at risk that lies at the heart of our mission and so it is to them that we owe our deepest accountability.

Methodologies such as impact assessment and stakeholder's analysis enable us to ensure Amnesty International is delivering real and positive change for those people for whom we work.

At the heart of Amnesty International is a simple idea: that we are at our most powerful when we stand together for human rights. We work together in many different ways, so that all our supporters can be involved, wherever they live and whatever their age, background or skills.

DIRECTORS' REPORT

PRINCIPAL ACTIVITIES (CONTINUED)

In 2014, as a national section of the Global Amnesty International Movement, Amnesty International Ireland participated in a number of global campaigns including:

At the national level we also work on a range of issues, including:

- Improved protection of Economic Social and Cultural Rights in Ireland

- Promotion of Ireland's domestic human rights compliance

Amnesty International Ireland is headquartered in Fleet Street, Dublin 2.

Amnesty International Ireland has experienced significant membership growth in the past year, with 3900 people signing up to join the organisation in 2014, bringing our total paying membership to 16,500. We have more than one hundred member groups around the country, comprising of local activist groups, schools groups and college and university societies.

REVIEW OF FINANCIAL AND OPERATIONAL PERFORMANCE

In 2014 the Irish Section continued to operate in a very challenging environment. Income and expenditure levels were down on the previous year following the planned completion of the externally funded Mental Health and End Female Genital Mutilation (FGM) projects and the rationalisations implemented at the end of 2013.

In order to grow the membership and supporter base AI Ireland continued with its Face-to-Face (F2F) member recruitment campaign. Campaigns such as this are designed to recruit new members who will support us for many years to come. These campaigns can be costly in the beginning with costs incurred in year 1 and income earned over many future years.

The Company finances its general activities from income from subscriptions and donations and fundraising activities. In addition it receives grants from Philanthropic Foundations towards specific projects and campaigns.

AMNESTY INTERNATIONAL IRISH SECTION LIMITED

DIRECTORS' REPORT

REVIEW OF FINANCIAL AND OPERATIONAL PERFORMANCE (CONTINUED)

Total Income in 2014 amounted to €2,650k a decrease of €801k over 2013.

Income from externally funded projects decreased from €967k in 2013 to €116k in 2014, as a result of the planned completion of the externally funded Mental Health and End FGM projects.

Income from subscriptions and donations increased from €2,216k in 2013 to €2,259k in 2014.

Income from Amnesty International (Ireland) Foundation decreased from €41k to €14k. This income derives from legacies and bequests.

Amnesty International spends this income on core human rights activities and campaigns, on specifically funded projects, on activities for generating funds, on supporter care, on investment in supporter recruitment. In addition Amnesty International Ireland makes a contribution to Amnesty International global activities.

Total expenditure before related party loan was written off in 2014 was €2,284k compared to €3,860k in 2013.

Expenditure on programmes and campaigns was € 1,113k.

The significant membership growth achieved in 2014 was as a result of an investment in a Face-to-Face membership recruitment campaign. Such campaigns require a heavy outlay in year 1 with income accruing in future years. Accordingly the Company regards part of this investment as an investment in future income and has split the cost between current and future years. In 2014 the Company spent €545k of which €234k was current year and €311k in future years.

The Company spent €340k in generating funds and supporter care. Expenditure on administration, depreciation, finance costs and governance amounted to €285k.

Contribution to the International Movement

The IS has agreed to allow Amnesty International Ireland to continue with its current level of activities by reducing the contribution in 2014 to 25% of the amount due. The Company paid €114k in 2014.

The Company has agreed not to collect €87k due from Amnesty International Ireland Foundation. This amount has been written off in the Income and Expenditure account.

The result for the year was a surplus of €700k from current year activities compared to €148k in 2013 and a surplus carried forward to the balance sheet, after providing for the future costs and related party write offs, of €279k compared to a surplus in 2013 of €420k.

The Balance Sheet has accumulated deficits of €1,159k (2013: €1,438k). The directors are committed to increasing income from fundraising, member's subscriptions and donations so that the Company can continue its core mission of the promotion and protection of human rights. The directors have prepared budgeted income and expenditure projections for 2015 and 2016 and are satisfied that the company will generate sufficient income to cover future cash requirements.

In recent years this has not been possible due to the recession and difficulties facing the sector and the organisation. However The Company has been able to maintain sufficient cash balances to meet its continuing operations and liabilities. As at 31 December 2014 the cash balances was €291k (2013: €336k).

Governance

To meet the Governance standards outlined above the Company Board has been strengthened by the addition of new Board members. The new Board members are drawn from diverse backgrounds and bring a broad range of experience and skills to the Board deliberations.

RISKS AND UNCERTAINTIES

The directors perceive the main risks and uncertainties to be those that pertain in the general economic environment and in particular the management of cash flows. The board is aware of the need to assess these and other risks faced by the organisation and respond to manage those risks appropriately. A register of risks has been compiled and management has taken responsibility for each significant risk area.

STATEMENT OF DIRECTORS' RESPONSIBILITIES

Irish company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that year. In preparing those financial statements, the directors are required to:

- select suitable accounting policies for the company financial statements and then apply them consistently;
- make judgements and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper books of account which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements are prepared in accordance with accounting standards generally accepted in Ireland and comply with Irish statute comprising the Companies Acts, 1963 to 2013. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF
AMNESTY INTERNATIONAL IRISH SECTION LIMITED
(A company limited by guarantee and not having a share capital)**

We have audited the financial statements of Amnesty International Irish Section Limited for the year ended 31 December 2014 which comprise the Statement of Accounting Policies, the Income and Expenditure Account, the Balance Sheet, the Cash Flow Statement, and the related notes 1 to 18. The financial reporting framework that has been applied in their preparation is Irish law and accounting standards issued by the Financial Reporting Council and promulgated by the Institute of Chartered Accountants in Ireland (Generally Accepted Accounting Practice in Ireland).

This report is made solely to the company's members, as a body, in accordance with Section 193 of the Companies Act, 1990. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As explained more fully in the Statement of Directors' Responsibilities, the directors are responsible for the preparation of the financial statements giving a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with Irish law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Reports and Financial Statements for the year ended 31 December 2014 to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view, in accordance with Generally Accepted Accounting Practice in Ireland, of the state of the affairs of the company as at 31 December 2014 and of its surplus for the year then ended; and
- have been properly prepared in accordance with the Companies Acts, 1963 to 2013.

Emphasis of matter – Going concern

In forming our opinion on the financial statements, which is not modified, we have considered the adequacy of the disclosure made in note 1 to the financial statements which indicates that the company had net liabilities of €1,158,903 at the balance sheet date. This condition indicates the existence of a material uncertainty which may cast significant doubt on the company's ability to continue as a going concern. The directors are satisfied that the company will generate funds which together with deferral of loan payments until 2017-2019 will be sufficient to meet its working capital needs for a period of not less than 12 months from the date of approval of the financial statements and to enable the company to meet its liabilities as they fall due. The directors have prepared the financial statements of the company on the basis that the company is a going concern. The financial statements do not include any adjustments that would result if the company was unable to continue as a going concern.
